Don't forget the hospitality room will be open every day to meet and greet new and old shipmates. If you wish a cocktail or soft drink, mixers will be available along with munchies. **DON'T FORGET YOUR AUCTION ITEMS.** This is always a lot of fun and terrific fund raiser for the association. Bring any memorabilia with you to share with your shipmates. There have been requests to bring Great Lakes cruise books to the reunion. If you have one, please bring it. If you have a computer and want to make a "slide show" that would be great too. Any pictures or other cruise books would also be great. Every one is looking forward to seeing our shipmates again, renewing old and making new friendships and remembering our fallen ones.

President  
Samuel B. Roberts DD823 Shipmates Association.
